Thank you in advance.

Dear Supervisors and staff,

As you all know, Amendment 4 went into effect on January 8 and there has been no delay in implementation.

In order to ensure the Department is fully complying with the law and honoring the will of the voters, we will be recalling this week for re-examination the potential felony match files that the Division previously sent you prior to the passage of Amendment 4 and that are still reflected as pending (PEN) at the county level. These are files for which you have not yet made a final determination of ineligibility. By reexamining these files under the scope of Amendment 4, we can ensure that registered eligible voters are not incorrectly removed from the rolls.

To complete the task on our end, please *invalidate* all PEN felony matches you received from the Division of Elections that you would like us to pull back and reexamine under the scope of Amendment 4. This includes all Active (ACT) and Inactive (INA) records, regardless at which stage the record is pending, short of removal. We will only recall the *invalidated* PEN files after 6 PM (Eastern Time), February 14 (Thursday).

Your points of contact will be Chief Toshia Brown (Toshia.brown@dos.myflorida.com; 850.245.6225) and Amber Marconnet (amber.marconnet@dos.myflorida.com; 850.245.6224).

If you have any questions, please let us know. Thank you for your cooperation.
